

Specialist Orthopaedic Clinic Kalgoorlie- Boulder

Dr Dror Maor MBBS FRACS FAOrthA
Knee, Foot & Ankle
Specialist Paediatrics, Adults & Athletes

Dr Dror Maor is a WA-trained orthopaedic surgeon specialising in knee, foot and ankle surgery for children, adults and athletes.

He attained this sub-specialisation through an additional three years of international post-fellowship training in the United Kingdom, Europe and the United States.

Dror was raised in Perth and completed both his medical school and orthopaedic surgical training in WA. His wife is originally from Kalgoorlie-Boulder and her family remain active members of the community.

To deliver outstanding orthopaedic care to the people of the Goldfields, Dror provides a locally focused service backed by the resources of leading Perth practice Coastal Orthopaedics.

In addition to regular Kalgoorlie-Boulder clinics and operating lists, all patients have full, all-year-round access to Coastal Orthopaedics via our Telehealth Services.

Upcoming Consultation Dates

13 Dec 2024	25 July 2025
7 Feb 2025	5 Sept 2025
21 Mar 2025	17 Oct 2025
23 May 2025	5 Dec 2025

Private patients requiring surgery will have access to St John of God Hospitals and Bethesda Hospital Claremont.

Public patients can have their surgery managed at either Fremantle Hospital or Perth Children's Hospital. In suitable cases, patients can now also have their surgery and further management at Kalgoorlie Regional Hospital.

Dror looks forward to continuing to provide this vital service to the community for many years to come.
